

Community HealthView

To add social, behavioral, and/or health measures, navigate to desired region and:

1. Open Community HealthView
2. Search by topic
3. Select item from available data
4. Click STYLE to edit data display
5. Click POP-UPS to add information to pop-ups

The screenshot displays the HealthLandscape Community HealthView 2020 interface. At the top, the 'HealthLandscape' logo and search bar are visible. The main interface is divided into several panels:

- Left Panel:** Contains navigation icons (Home, Location, Layers, Settings) and a search bar with the text 'asthma'. Below the search bar, a list of data items is shown, with 'Pct Asthma for All Beneficiaries, CMS, 2014' selected.
- Top Panel:** Features tabs for 'CONTENT', 'STYLE', and 'POP-UPS'. The 'STYLE' tab is active, showing a color palette with various color schemes.
- Right Panel:** Features tabs for 'CONTENT', 'STYLE', and 'POP-UPS'. The 'POP-UPS' tab is active, showing a list of fields to include in the tooltip, such as 'County Name', 'Pct Asthma for All Beneficiaries', and 'Pct Asthma for Beneficiaries Under 65 Years'.
- Map:** A map of Georgia is shown, with counties colored according to the selected data. A pop-up window is visible over the map, displaying the selected data for a specific county.

Numbered callouts (1-5) highlight key interface elements: 1. Home icon, 2. Search bar, 3. Selected data item, 4. STYLE tab, and 5. POP-UPS tab.
