3. Click pin button
4. Click on map
5. Set desired distance
6. Click GENERATE REPORT

The screenshot displays the 'Treatment Facility Explorer' interface. On the left sidebar, a red map icon is highlighted with a '1'. The main panel shows filter options: 'SAMHSA Facilities' (8), 'Opioid Treatment Programs' (0), and 'DATA Waivered Providers' (2). Under 'Type', 'Mental Health', 'Substance Abuse', and 'None' are all checked, with a '2' next to the 'Mental Health' checkbox. The map shows several facility locations marked with icons. A large black circle is drawn on the map, with a '4' next to it. At the bottom, a 'Select Distance' slider is set to 38mi, with a '5' next to it. A blue button labeled 'GENERATE REPORT' is highlighted with a '3' on the left and a '6' on the right. The bottom of the screen shows the footer: 'Esri, HERE, Garmin, USGS, EPA, NPS | JMG | Esri, HERE, NPS' and 'Powered by Esri'.
